Within the framework of our **Recruitment Process Outsourcing (RPO)** service, we **fully take over the recruitment processes**, ensuring the identification and attraction of the best talents for your company. Our solutions **increase recruitment efficiency, reduce time-to-fill**, and **optimize recruitment costs**.

Why should our partners consider RPO?

- ✓ Cost reduction
- ✓ Process optimization
- ✓ Access to databases
- ✓ Rapid support, extra capacity allocation in case of increased recruitment demand (even temporarily)
- ✓ Immediate availability of experienced colleagues (shorter training periods)
- ✓ Continuous up-to-date knowledge

Advantages of RPO

- ✓ Assignment of an experienced recruiter
- ✓ Coordination of production and HR teams
- ✓ Predictable pricing, making financial planning easier
- ✓ Marketing and recruitment costs included in the price
- ✓ Nationwide support
- ✓ Extra capacity allocation with researcher involvement
- ✓ Use of proven internal processes, potentially resulting in process transformations
- ✓ Flexibility, available even for part-time or occasional needs
